

MIKE BUCKLAND

Mike Buckland is the Director of Production at Triggerfish Animation Studios and has been a member of the Triggerfish leadership since 2006. He has over 20 years experience in CG animation, from commercials and short form entertainment, to TV series and full length animated feature film productions, including "Adventures in Zambezia", "Seal Team", and the Academy Award-nominated "Revolting Rhymes".

Most recently he has been working on "Aau's Song", an original short film for Lucasfilm's Star Wars: Visions Season 2, the TV series "Supa Team 4" for Netflix and "Kizazi Moto: Generation Fire", an anthology of African sci-fi short films.

As the Director of Production, his creative and technical leadership has been pivotal in the success of Triggerfish as it has become Africa's first truly global studio, trusted by leading streamers and content distributors worldwide.
